

Incorporated in 1994, Friends of Midas (FOM) preserves and presents the history of Midas, a mining town established in northern Nevada in 1907. For more than 30 years, FOM has collected photographs and documents; developed online and in-person exhibits; and explored the history of this charming little town. Members of FOM receive an annual newsletter, periodic updates, and the satisfaction of contributing toward historic preservation efforts. Your membership in this 501(c)3 nonprofit organization may be tax-deductible; please consult your tax adviser.
